

MANAGER, FINANCE AND CONTROLLER

FULL-TIME | PERMANENT

Regina Airport Authority requires a Manager, Finance and Controller responsible for the management, leadership and motivation of the Finance area. The position will recommend operational design and development of new accounting and reporting policies, procedures, controls and systems. The expectation is that the position will plan and coordinate the delivery of financial systems with RAA's internal information technology unit responding to corporate business plans and strategies related to financial management. The position will liaise with other work units to identify and assist with operational informational needs.

RESPONSIBILITIES

- While promoting safety and security awareness, perform all duties with an ownership attitude in compliance with corporate policies and procedures.
- Assist with ensuring appropriate response procedures are carried out in the event of an emergency.
- Perform all duties and responsibilities in a manner consistent with the companies Mission, Vision and Corporate Values.
- Provide leadership, supervision, motivation, and direction to team members such as recruitment, training, development and performance management including conducting team member reviews and progressive discipline.
- Manage and guide accounting support staff members within the established guidelines and policies.
- Responsible to provide appraisal on the performance, recommend in matters of discipline and hiring, approve time off work with or without pay, approve extra duty and schedule and assign work for accounting personnel.
- Perform vendor and customer invoice review, approval and monitoring including financial and electronic banking requirements.
- Oversee the completion of accurate and timely preparation of monthly, quarterly and yearend financial statements, accruals, journal entries, reconciliations and maintenance of data and their integrity including required completion of variance analysis with explanations.
- Under guidance of the Chief Financial Officer (CFO), complete audit working paper file requirements and completion of annual report requirements.
- Assist the CFO in preparing annual budgets by interacting with other departments regarding internal financial and budgetary queries and variances from business plans.
- File timely and accurately monthly, quarterly, annual GST, PST and other regulatory surveys and reports as required.
- Complete benchmarking, trending and financial monitoring as directed by CFO in fulfilling reporting and corporate strategy requirements and business development initiatives.
- Complete financial analysis for special projects for both operational and capital programming requirements and monitoring programs for corporate assets, including materials and supplies.
- Complete cash flow analysis and assist CFO with development of business plans.
- Collect quantitative data and assist CFO in the analysis of interpretation of key performance measures, budget development, rates and fees analysis and ongoing monitoring activities.
- Participate in Management meetings and Act for CFO when required.
- Input to operating programs and deliver programs within allocated approved budget as assigned.

OUR MISSION
